Our CSA program gives you the opportunity to purchase your meat directly from local producers. It allows us to bring our products to a location to be picked up by you at your convenience.

We have developed packages you can select from, depending on your family size and the amount of meat you eat. We also offer healthy snack packs to order for your family.

Some of the items available include beef, pork, chicken, eggs, lamb, duck and seafood. If there is something you are interested in that you don't see on the list, ask us – we may be able to locate it for you.
